

Dear Parents,

On behalf of the faculty and staff at First Baptist Pelham Kindergarten, it is my pleasure to take this opportunity to introduce you to our K-5 class. My name is Blakeley Spann and I am the K-5 teacher here at FBC Pelham Kindergarten.

Kindergarten is a year of growing socially, emotionally, physically and intellectually. Our program is enriched with math, writing, phonics and reading that covers all kindergarten standards. We have sought a program that promotes both academic achievement and spiritual growth. Our faith values are at the center of all that we do.

By staying current with academic research and the best teaching practices, we provide students with high quality instruction. We work on social skills, along with Bible, reading, writing, math, science and music. The children will have whole group and small group instruction.

Giving your children an excellent education is one of the best investments you can make. Our small class size helps children to feel comfortable; therefore, helping them to adjust more quickly.

I am committed to teaching students the importance of honoring Christ in all that we do and supporting them as they learn and grow.

I am looking forward to a fabulous school year.

Sincerely,

Blakeley Spann
